(*2-day clinics)
with optional
AHBA Test class leg.

A series of progressive workshops designed to shape handler and dog skills into an effective herding team. All levels of experience welcome.

Location: 12919 Schutt Rd.(Rt.39),Sardinia, NY

Beautiful farm setting on gravel soil(little mud), ample parking, shade, water for dogs.

We work multi-generations of home raised sane sheep. Veterinarian present.

Restaurants & lodging nearby. Lunch not provided - take out menu available.

Clinics are limited to 8 working spots.

\$120.00 per day per dog due with registration.

To Audit: \$40/day(without dog)-please RSVP.

All participants must sign a release.

For clinic attendees: Optional Day-Of Entries for Test Legs: add \$30

RSVP by email first. Questions?? or to check available clinic space:
email: spiritwins@aol.com

Linda Rorem has extensive herding knowledge and experience. She is the current president of AHBA (American Herding Breed Association) and has been involved with bringing French Course to the American herding community.

Spiritwind's goal is to provide a quintessential learning experience that enables handlers and dogs to reach their best herding potential through lessons, clinics, seminars, and trials.
