 Judge Marion Pott Pollock, April 27, 2024

1. Take Pen (10 pts): Stock is removed from the pen
 - a. H1 – Handlers may assist the dog in moving the stock
 - b. H2 - Handlers may enter the pen with the dog but should not move the stock themselves
 - c. H3 - Handlers may not enter the pen when taking the stock out
 2. Fetch/Drive (15 pts): Stock is moved from the pen along the west fence to the marker, then turned and driven across the arena from the west to the east fence
 - a. H1 – may fetch/drive or a combination.
 - b. H2 – may fetch/drive to the marker, make the turn but must stop halfway across the arena and dog must drive livestock to the fence. Handler may fetch/drive to obstacle 1
 - c. H3 – must wait at the marker until the sheep have made it through obstacle 1
 3. Obstacle 1 (15 pts): Corner Chute: Stock is moved along the east fence to the obstacle in the NE corner of the arena
 - a. H1 - may walk with stock along outside of obstacle
 - b. H2 – must remain at the mouth until the stock have exited the obstacle
 - c. H3 – must remain at the midline marker until the stock have exited the obstacle
 4. Obstacle 2 (15 pts): Free standing panel chute: Stock is moved from north to south through the obstacle
 - a. H1 – handler may walk up to the obstacle with the stock, but should not precede the stock through the panels
 - b. H2 – handler may walk toward the obstacle with the stock, but must wait at the marker half way to the obstacle until the stock has passed through the panels
 - c. H3 – Once the stock has exited obstacle 1, handler is allowed to proceed to marker in the middle of the arena to wait for the stock after the dog has brought the stock through the obstacle
 5. Obstacle 3 (15 pts): Free Standing Pen: Stock taken across the arena and put into the pen.
 6. Hold (10 pts): Stock is taken to the hold area between the pen and the exhaust pen and allowed to settle
 7. Sort (10 pts): H3 only: The handler gate sorts 2 head into the pen, then the balance.
 8. Repen (10 pts): Stock are taken to the exhaust pen with the dog establishing a brief hold off the gate, then the stock is penned.
- Tie Breaker: Best score on take pen, then obstacle 2, then time.

RTN – Large Flock Ranch
April 26, 2024
Judge: Marian Pott Pollock

Start with 25+ head of goats in the feeding area south of the B course – Handler and dog enters from the B course holding pen alleyway.

1. (10 pts) Gather: Gather stock from the feeding area and take to the north gate.
 - a. H1 – may position dog halfway from the gate to the stock, handler may approach within 15 ft of stock.
 - b. H2 – dog is positioned at the gate, handler may move half-way between the gate and stock.
 - c. H3 – dog is positioned at the gate and handler must remain at the gate until the stock is standing at the gate.
2. (10 pts) Sort: Stock is moved into the alleyway and the handler sorts 3 head (1 in each pen) into the holding pens
 - a. H1 – may sort any 3 head into the pens
 - b. H2 – must sort 3 head and have atleast 2 head with the same tag color (2 grey and a green, etc.)
 - c. H3 – must sort 3 head and must have the same color tag.
3. (10 Pts) Narrow road: Stock is exhausted from the alleyway and moved along the fence line heading north. Stock are to stay between the fence and the furrow and move in a calm organized manner.
4. (5 pts) Traffic Stop: The handler positions the dog to affect a stop and hold prior to the stock entering the traffic road allowing the handler to check for traffic. Once the handler determines the road is safe, the handler leads the flock onto the traffic road
5. (10 pts) Vehicle Pass: With the dog working between the car and the flock, preventing the flock from interfering with the car or being endangered by the car. The flock should continue to move during the passage.
 - a. H1 – The car is stationary, following the passage the flock is returned to the road
 - b. H2 & H3 – The car approaches from the front, following the passage the flock is returned to the road.
6. (10 pts) Wide graze: At the end of the traffic road, stock is moved onto the narrow road to the Wide Graze on the east end of the field. Once the handler and stock reach the entrance on the east side of

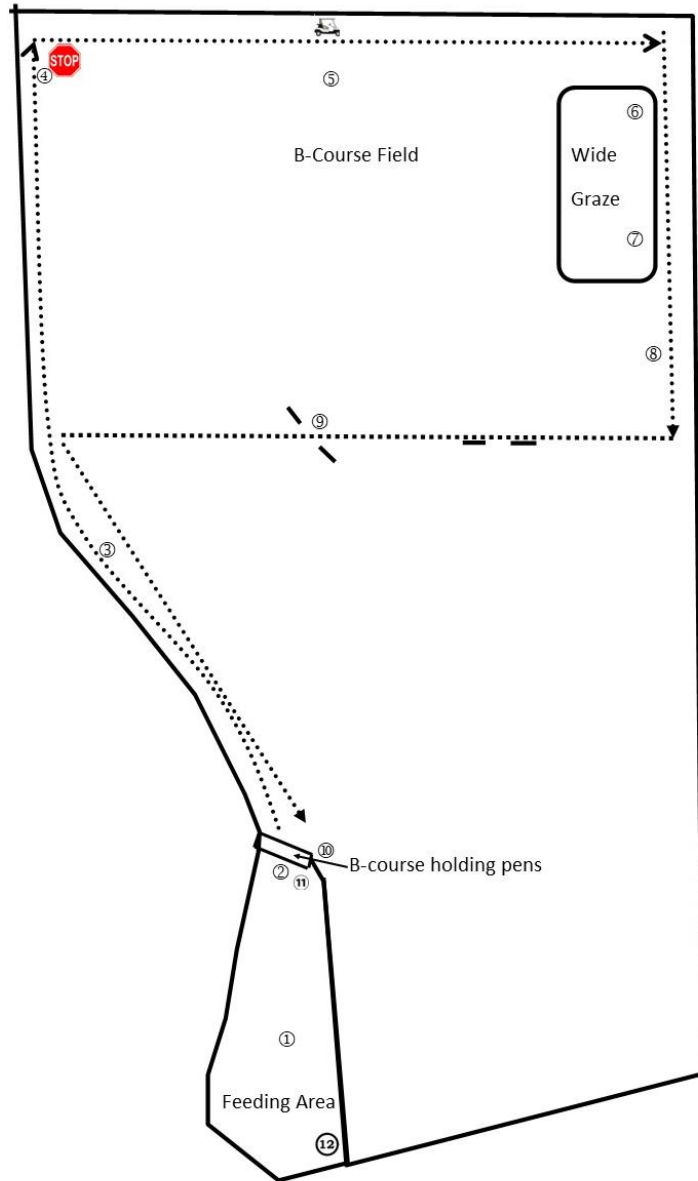

the graze, the stock enters the graze and are allowed to settle. The dog is expected to keep the stock within the graze area for the duration of the graze (5 minutes)

7. (10 pts) Gather 2: Dog continues to hold the livestock within the graze area while handler positions themselves, once stock is gathered it is returned to the East West course line
 - a. H1 – Handler may enter graze area and approach to 15 ft of the stock and send the dog to gather stock.
 - b. H2 – Handler must stay within a crooks length of the graze border and send the dog to gather
 - c. H3 - The handler moves to where the stock originally entered. The handler sends the dog to gather the stock and fetch them to the handler.
 8. (10 pts) Narrow Road: Handler and stock exit wide graze onto narrow road heading south along east fence line to marker. The handler and stock then leave the road and head west on a course passing to the north of the east drive gates towards the west drive gates.
 9. (10 pts) Bridge: Handler and dog take the flock through the west drive panels and return to the west fence line.
 - a. H1 & H2: may position themselves as necessary to accomplish the task
 - b. H3 – The handler must go no further than the edges of the bridge and must remain there until the dog pushes the stock through the bridge, whereupon the handler may move.
 10. The handler and stock then proceed to the Holding pen alleyway gate and move the stock through both gates and exhaust into the feeding area.
 11. (5 PTs) Un-pen: Handler and dog returns to the B course holding pens and un-pens the 3 head in the pens and exhaust them into the feeding area with the balance of the flock.
 12. (10 PTs) (*H3 only special task) H3 handler and dog will move flock into the south-east corner of the feeding area and grab/hold a designated animal.
- Time ends with dog and handler exits the Feeding Area and close gate.

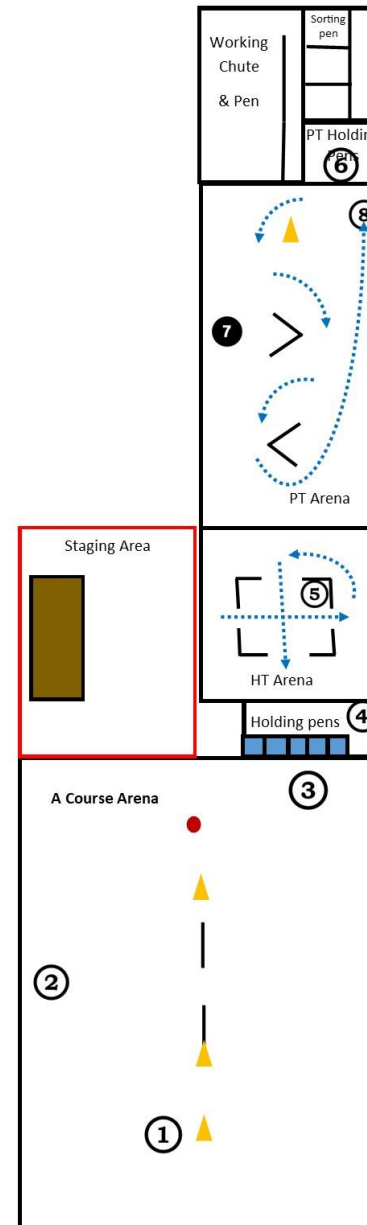

Tie breaker #1 – best score on #2
Tie breaker #2 – best score on #9

H1 & H2 maximum points 90
H3 maximum points 100

HRD Ranch Course – Stock and Goats
Marian Pott Pollock, Judge
April 26, 2024
Rancho Terra Norte, Wellington, CO

Course starts with 10 head of stock in the A-course, 5 head wearing collars and 5 head without, and 5 head of stock in the PT Arena, 3 head with collars and 2 without.

1. Gather (10 pts): handler sets dog at appointed post, sends the dog to gather and fetch stock to the handler, then stock is taken to the #4 (midway on the east side of the arena).
 - a. H3 – handler and dog start at the H3 post.
 - b. H2 – handler positions dog at the H3 post, then can move within the zone between the H3 post and the H1 post.
 - c. H1 – handler positions dog at the H1 post (at the north end of the cross-drive panel) and is allowed to move within 15 feet of the stock.
2. Drive/Fetch (10 pts): dog and handler move 10 head from the east side of the arena (#4) to the west side (#5). Stock is then moved to the holding pens.
 - a. H3 – handler remains at the marker positioned at the east end of the arena until the livestock as reached the north end of the arena.
 - b. H2 – handler may fetch or drive to the center panels, but stock is to be driven with the handler remaining 15 ft behind or parallel to the dog until the livestock reaches the #5.
 - c. H1 – handler may fetch/drive the stock from the #4 to the #5.
3. Sort (10 pts) : Handler sorts 10 head of stock into 2 sets of 5 head.
 - a. H3 – handler is required to sort one set all without collars and another set with collars.
 - b. H2 – handler is required to sort one set with 3 collars and another set with 3 without collars.
 - c. H1 – handler sorts stock into 2 sets of 5 head into the holding pens any combination.
4. Controlled movement/gatework (10 pts) Handler and dog come around to the alleyway through the large exhaust gate. 1 set of stock are unpened, moved through the alleyway and exhausted into the A Course arena. Handler and dog returns to the holding pens and unpens the remaining set of stock, exhausts into the HT arena.
5. Crossroads Obstacle (10 pts): Livestock is moved to the east entrance of the obstacle straight across the west opening, turned south and enter through the south opening straight across to the north opening.
 - a. H3 – handler may move around the SE corner of the obstacle.
 - b. H2 – handler may move along the outside of the obstacle.
 - c. H1 – handler may fetch/drive stock through obstacle.

Livestock are exhausted from the HT arena into the alleyway. Dog and handler move to the pen in the PT arena where 5 head are waiting in the large holding pen (3 with collars, 2 without).

6. Chute/gatework (10 pts): Handler and dog enter PT pen and move waiting stock into the chute entrance. Once livestock are in the chute, the entrance gate is closed, guillotine gate is lowered, and dog and handler go through the alleyway and sorting pen to the east side of the handling system. The handler opens the gate to the sorting pen and using the silver sorting gate, allows the stock access to the sorting pen. Dog and handler then follow stock back into the larger PT holding pen. (H3 Handler returns back to the handling system pen)
 - a. H1 & H2– All stock is sorted into the sorting pen.
 - b. H3 – Using the sorting gate, stock is sorted by those with collars and those without. Stock with collars are sorted into the handling system pen those without are sorted into the sorting pen.
7. * H3 Special Task (10 pts): Stock sorted into the handling system pen are gathered and moved through the side gate back into the PT holding pen.
8. Take-Pen (10 pts): dog and handler unpen the 5 head from the large PT holding pen into the PT arena.
9. Corner Slalom Obstacle (10 pts): After leaving the take pen, stock is moved to a cone on the centerline, the stock then moved on a line through the markers at the far end of the arena. Stock is then returned to the PT Holding Pen.
 - a. ADVANCED – must remain at the marker until the dog drives the stock through the weave markers, then they may proceed to the PT holding pen gate
 - b. INTERMEDIATE – must pick 1 side of the markers and not cross the plane of the markers while the stock is moved through the slalom. Then return with the stock to the PT gate.
 - c. STARTED – may fetch/drive from the cone through the markers. Then return with the stock to the PT gate.
2. Re-pen (10 pts): Stock is held a short distance off the gate while it is opened and then they are re-penned. Time ends when PT pen gate is closed.

Tie breaker #1: best score on #3

Tie breaker #2: Best score on #6

AGREEMENT

In consideration for participation in an event sanctioned by the American Herding Breed Association (AHBA) and held at Rancho Terra Norte home of Val Manning and Doug Richardson, I (we) agree to assume all responsibility for any claim, loss or damage, of whatever kind or nature, whether to person or property, which may be caused at or near this event, either directly or indirectly, by me (us) or the dog(s) I (we) have entered in or brought to this event. I (we) further agree that I (we) will hold the AHBA, its officers, directors, agents and members and Val Manning and Doug Richardson, and their employees/help working this event, harmless and defend them from any and all liability for any injury, claim, damage or loss, of whatever kind or nature, whether to person or property, caused at or near this event.
